

## NEW WORLD DALIAN HOTEL SUPPORTS EARTH HOUR 2015

Demonstrating its commitment to protecting the environment and mitigating climate change, New World Dalian Hotel is participating for a sixth consecutive year in Earth Hour. On Saturday, 28 March 2015 between 8:30 and 9:30 p.m., all non-essential lighting in the hotel's public areas, guestroom corridors and staff areas, as well as all exterior lighting, will be dimmed in a concerted effort to combat global warming.

All guests will be encouraged to minimise the usage of electrical appliances in guestrooms, including the lights and air conditioning system, to demonstrate their support for Earth Hour and display their commitment to saving energy and ultimately, the earth.

Our hotel also invites guests to attend *Earth Hour*-themed activities. A candlelit dinner will be held at all restaurants and lounges at New World Dalian Hotel and guests who wear green will receive 50 percent off at Xiāng CAFÉ. The hotel's Chinese Restaurant will offer a green-themed menu.

On an ongoing basis, the hotel has implemented a series of green programmes to identify ways to reduce waste and protect the environment.
